# Accessibility and Inclusivity Guide at Knightor Winery

**Parking** - There are disabled parking spaces located beside the Winery. For the Manor House there is parking just outside the front doors and the Orchard Barn has access from the Overflow car park. Please ask a member of the team how to access these.

**Accommodation** - The Manor House has a groundfloor double bedroom. Located nearby is a bathroom and shower room. The lounge and kitchen are both on the ground floor.

**The Barn** - There is a lift in the barn that provides access to the 1st floor.

**Toilets** - There are two disabled toilets located onsite. One can be found near the courtyard and the other upstairs in the Barn.
