

# Events & Celebrations

“Our team meeting at Knightor went very smoothly. The food was delicious, the tasting was enlightening, and we were very well looked after in a supportive but unobtrusive manner. Highly recommended.”

THE EDEN PROJECT

Switch up your environment and get creative in a stylish setting. There are numerous spaces available at Knightor Winery, which can be tailored to suit your business needs. From private catering to bespoke boardroom set ups, the events team are on hand to take care of your requirements.

By booking a corporate event at the winery, you will be able to take advantage of the following:

- A contemporary barn located in the orchard, that can be converted into a bright classroom or boardroom space.
- An 18th century manor house, perfect for fuelling inspiration during off-site meetings.
- A rustic setting with plenty of space for team building activities such as outdoor games.
- Bespoke menus using local and seasonal produce.

# *At the Vineyard...*

Overlooking one of our stunning vineyards in Portscatho, The Vine shows you the source of some of our Cornish-crafted wines.

- Rural barn set in the midst of Cornish countryside
- You and your guests can tour the vines and enjoy the flavours of our English wines in a tasting with one of our winemakers.
- Private dining for up to 50 guests. Choose from a variety of menus to suit you and your guests.
- Family celebrations

## *Wine Tastings & More*

Bond over fine wines. Lead by a member of the winemaking team, it will take your palette on an adventure through the different English wines that we make here in Cornwall. Available at both venues.

Activity packages can be bespoke to your business and can include the following elements and additional extras:

- Meet the team of winemakers for a personalised and tutored tasting.
- A menu that pairs the wines you have tasted to selection of foods.
- Canapes for networking events.
- BBQ dining with colleagues.
- Feast nights for team building.
- On-site activities such as shooting and archery among others can be arranged to enhance team building.

# *The Cornish Cocktail Experience*

With a Cornish cocktail on arrival, immerse yourself in the story behind our award-winning Vermouth. Once you have sampled and chosen your Vermouth base, you will blend your botanicals from a list curated by our Head Winemaker to achieve your unique flavour. Enjoy a second cocktail whilst hand bottling, corking, waxing and labelling your bottle.
