WINERY

## Corporate Events

Nestled amongst four acres of working vineyards and orchards, Knightor is a Cornish winery that exudes rustic charm. Located close to the South Coast of the county, the venue provides the perfect backdrop for company away days and meeting spaces.

# Creative Spaces

Switch up your environment and get creative in a stylish setting. There are numerous spaces available at Knightor, which can be tailored to suit your business needs. From private catering to bespoke boardroom set ups, Lydia and her events team are on hand to take care of your requirements.

By booking a corporate event at the winery, you will be able to take advantage of the following:

- A contemporary barn located in the orchard (left), that can be converted into a bright classroom or boardroom space.
- An 18th century manor house, perfect for fuelling inspiration during off-site meetings.
- A rustic setting with plenty of space for team building activities such as outdoor games. We are happy to explore any request you might have from archery to clay pigeon shooting.
- A bespoke buffet menu using local and seasonal produce.

# Wine Tastings & More

Bond over fine wines. Lead by a member of the winemaking team, it will take your palette on an adventure through the different English wines that we make here in Cornwall.

Wine tour packages can be bespoke to your business and can include the following elements:

- Meet the team of winemakers for a personalised and tutored tasting.
- Tours of the winery, with an insight into how the wine is produced.
- A menu that pairs the wines you have tasted to selection of foods.
- We can bring wine tastings to your location.

In addition, we can also arrange the following options to create an event to remember:

- Canapes for networking events.
- BBQ dining with colleagues.
- Feast nights for team building.
