

KNIGHTOR

— WINERY —

Weddings

Nestled amongst four acres of working vineyards, pastures and orchards, Knightor is a rustic Cornish wedding venue located close to the South Coast of the county. The setting is the perfect blank canvas to create the ultimate celebration.

With the option of formally seating up to 90 day guests and hosting up to 150 evening guests, couples can choose between an all out celebration or a more intimate occasion, with one of our elopement ceremony options. All packages can be tailored to suit your requirements.

Constructed with traditional Cornish granite, the 18th century barn and courtyard has plenty of rustic appeal. Alternatively, opt to hold your ceremony under the pondside arbour, surrounded by wildflower.

Included within the large ceremony package is the six-bedroom manor house and the more contemporary orchard barn, ensuring that a restful stay is guaranteed at our secluded venue.

From BBQs to charcuterie boards to traditional sit-down meals, our team of wedding planners will be able to assist every step of the way in making your vision a reality.

With chefs and mixologists working with all that Cornwall has to offer, we are happy to work with you to create a selection of signature cocktails and welcome drinks.

Venue Checklist

Occupying an enviable position above the shores of St Austell Bay and within walking distance from the Eden Project, Knightor is secluded yet easily accessible. The A30 is a short 15 minute drive from the venue and the closest public transport links are St Austell train station and Newquay airport, located within 10 minutes and 40 minutes respectively (via car).
