Made to Order Delegate Packages

KNIGHTOR can make your business event as unique as we are, that's why we don't try to give you a one size fits all delegate package.

We are receptive to new ideas and new challenges and take a 'can do' attitude to any kind of request. If we think we can arrange it, we'll go out of our way to make things happen.

As a guide, our basic delegate rates start from £25 per person* – based on a minimum of 6 people - to include room hire, tea, coffee and biscuits and a 2-course lunch.

We can provide tapas and meze plates, buffet lunches, barbecues and two or three course lunches and dinners to suit your occasion.

Wine tastings and tours with wine eliminator games can be tailored to your needs and add a competitive fun element if desired.

On-site, we can also arrange additional activities such as archery and shooting within the safety of our 4 acres of grounds.

Off-site additional team building, or treat activities, can be integrated into your package. **KNIGHTOR** is fortunately placed to have the adrenalin-pumping thrill of [Eden's Sky Wire](#), England's longest zip wire, right on our doorstep. [Clay Trails cycling](#), horse riding, fishing, wind surfing and sailing, are examples of the many types of local activities that we can arrange, right through to a gentle round of golf.

We can offer you exclusive use of our site, with on-site accommodation available. We will arrange your transport to off-site activities and book additional off-site accommodation for large groups if required. We promise transparent pricing, a choice of options and seamless organisation for every part of your event.

(*Prices can change and the basic delegate rate can be incrementally cheaper for larger bookings or those not needing lunch).
