We are delighted you are considering Knightor for your special day. Our timeless Cornish venue set among peaceful countryside, is the most romantic setting to say 'I do'. Our expert team work with you to personalise your day, knowing that every detail counts. Licensed for wedding ceremonies, civil partnerships, renewal of vows for up to 90 people, surround yourselves with the ones you love on your big day.

”Honestly, you have all been so amazing and helpful and supportive in all our plans and through to the final moments of the day, we cannot thank you enough. It was just the most perfect day.”

Set in vineyards, pasture and orchards surrounded by traditional Cornish hedges, you can choose from an indoor or outdoor ceremony and reception. For weddings in the warmer months take advantage of our grounds and say your 'I do's' surrounded by wildflowers under our arbour.

Play field games among our vines or choose one of our relaxed menus and dine in the courtyard. If you are planning a winter wedding the cosy threshing barn is ideal for both the ceremony and meal, with two floors you have the luxury of ample seating upstairs for those who prefer a natter and plenty of space downstairs next to the bar and dancefloor for those who want to party.

The bridal party are accommodated onsite in our six bedroom manor house, and new Orchard Barn, a secluded wooden chalet hideaway perfect for you and your partner. In the Summer months we also have two glamping belltents for guest hire (April - Oct).

Planning a party? We are licensed until 1am (Fri-Sat) and 12pm Monday - Thursday. Dancing room up to 150 guests, and we are happy to host DJs, live bands, acoustic singers and any other entertainment to fit your day.

Our local registrar is St Austell registration services, who can contact to book on 0300 1234 181.

“From ourselves and our guests we can say the venue is naturally stunning, the food and wine outstanding, and the staff always relaxed and happy to help in any way they can. There's no place in the world we would have rather gotten married. We will be returning for many years to come.”
